

Locate your vehicle within seconds!

Our GPS locator network offers you:

- Full North American Coverage
- Wireless Vehicle Tracking
- NEW SATELLITE AERIAL VIEW
- ALL DIGITAL GPS locator units
- POOLED Airtime
- New QUICK CONNECT Install
- Outside Zone Notification
- And much more

Benefits to you include:

- Improve collections (constant tracking)
- Better rates from repossession companies
- Savings on labour and fuel locating vehicles
- Eliminate skip tracing
- Immediate repossessions, resulting in maintaining vehicles resale value
- Better tracking allows for more flexible financing terms, resulting in more sales

Already have GPS? Tired of high airtime bills?
